Dear Sister Markwell:

Thank you so much for your very kind words and suggestions made during the recent Training for Service series at Kansas City. It was such a personal pleasure to become acquainted with you and to know of your extreme interest in our program. We do appreciate your support of the program and hope that you will see fit to be a part of this ministry for many, many years.

Enclosed you will find material that I thought might bear on the subject of infant baptism. I can well appreciate your extreme interest in this subject and hope that the material enclosed will help. I have also taken knowledge of your suggestion regarding a future radio sermon on this subject and hope that we will be able to take care of it in the near future.

I ask for your prayers regarding our program. Please accept my gratitude for the association we enjoyed during the past week.

Faternally yours,

John Allen Chalk
